

EUMASS Congress 2018 Maastricht Building Bridges Between Science and Practice

First Announcement

Welcome!

The 2018 EUMASS Congress will be organized by the Dutch and Flemish associations for insurance medicine. The joint Organizing Committee from the Netherlands and Belgium would like to invite you to attend the 2018 EUMASS Congress at the MECC Convention Centre, scheduled for **4-6 October 2018** in Maastricht, the Netherlands.

Overall theme of the congress:

Building bridges between science and practice.

The congress will be an excellent opportunity to share the latest scientific knowledge and good practice in the field of insurance medicine.

The final program will include the following themes:

- Sick leave certification
- Return to work
- Disability evaluation and management
- Work capacity in occupational diseases and employment injuries
- Monitoring healthcare

Target groups:

Insurance physicians, medical advisors and researchers are the main target group. Other professionals involved in the field of insurance medicine, social security issues and the return-to-work-process are also welcome.

EUMASS Congress 2018 Maastricht Building Bridges Between Science and Practice

Registration:

Registration will start in March 2018 on our website. Discounts will be available for early birds.

Abstract submission:

It is our pleasure to invite you to submit an abstract for oral or poster presentation, or for topical seminars. Abstracts can be submitted from 1 October 2017 until 15 January 2018 on our website.
